Health Resources and Services Administration

State and Regional Primary Care Associations Cooperative Program

AGENCY: Health Resources and Services Administration, HHS.

ACTION: Notice of Class Deviation from Competition Requirements for the State and Regional Primary Care Associations (PCA) Cooperative Program.

SUMMARY: In accordance with the Grants Policy and Administration Manual (GPAM) Part F: Chapter 2.b.34, the Bureau of Primary Health Care (BPHC) has been granted a class deviation from the requirements for competition contained in the GPAM Part F: Chapter 2.b.4 to award funds to bridge 52 PCAs three months. This extension, from March 31, 2017, to June 30, 2017, will extend the project and budget period end dates for the 52 PCAs which will result in alignment with other BPHC cooperative agreements.

SUPPLEMENTARY INFORMATION: Awardees of record and intended award amounts are:

Amount of the Award(s): Up to \$13,378,721

CFDA Number: 93.129

Period of Supplemental Funding: March 31, 2017, to June 30, 2017

Authority: Section 330(l) of the Public Health Service Act, as amended

JUSTIFICATION:

The Health Resources and Services Administration will be issuing a noncompetitive award for the State and Regional Primary Care Associations Cooperative Program. Approximately \$13,378,721 will be made available in the form of a cooperative agreement to the above list of awardees to extend their April 1, 2016, to March 31, 2017, project and budget period by 3 months to end on June 30, 2017.

The program is authorized by section 330(l) of the Public Health Service (PHS) Act, as amended, to issue grants, cooperative agreements, and contracts to provide necessary technical and non-financial assistance to potential and existing section 330 health centers. Recipients of these cooperative agreements conduct statewide/regional training and technical assistance activities to assist potential and existing health centers in the identified state/region to meet Health Center Program requirements, improve organizational performance, and provide statewide/regional technical assistance.

Through this program, HRSA enters into cooperative agreements with state and regional organizations to provide training and technical assistance. The training and technical assistance activities are based on the identified statewide/regional needs as well as program assistance activities based on HRSA priorities.
